Agenda item: Community Transformation Grant Presentation   **Presenter:**   Rob Miller

Discussion:

Rob Miller Gave a presentation regarding the Community Transformation Grant (CTG) which will be the primary funding source for the coalition. Questions arose from the group regarding data collection and reporting methods. Several members wondered how the measures corresponded with RBA-Results Based Accountability. Rec depts representatives expressed concern regarding lack of parks and rec information in presentation. R Miller stated that this is an omission that will be corrected. The revised PPT file will be emailed to all members.

Agenda item: Next Steps   **Presenter:**   Aliza Makuch

Discussion:

The coalition will be doing an assessment of current vision/mission in light of this new funding. Some goals may be reworked in order to align with funding.
