

TICK SUBMITTAL FORM

BEING REQUESTED BY:

THIS IS A SERVICE PROVIDED TO RESIDENTS OF THE EASTERN HIGHLANDS HEALTH DISTRICT ONLY
 4 South Eagleville Road • Mansfield CT 06268 • Tel: (860) 429-3325 • Fax: (860) 429-3321 • Web: www.EHHD.org

Important Information	<p>At the height of the tick season, it could take as long as four weeks to get the results of your tick test through EHHD (free of charge).</p> <p>The average incubation period for Lyme Disease is seven (7) to ten (10) days. If you wish to receive test results sooner, please see contact information for fee for service laboratories below.</p> <p>Include your tick in a sealed plastic baggie. Do NOT tape tick to card, envelope, etc., as the residue from the tape will affect the results of the tick test.</p> <p style="text-align: center;"><u>In all instances of exposure, we recommend you consult with your physician as soon as possible.</u></p> <p style="text-align: center;">Please fill out form COMPLETELY. All information obtained is kept confidential.</p>
