You will be presented with a list of available permits.

Apply Online

Temporary Food Permit Please complete this application for temporary events and Farmer's market permits. For additional information, refer to the website www.ehhd.org/foodservice	Select
Public Health Review - Accessory structure - deck, pool, shed etc Please select this if you are adding a shed, deck, pool etc to your property served by a Septic system.	Select
Public Health Review - additions, renovations, change of use, tear down/rebuild Please complete this application if you are planning any additions or renovations; planning a change of use; or planning a tear down and rebuild of the property.	Select
Public Health Review - Lot Line Change Please complete this application if you are modifying the lot lines of a property.	Select
Septic Plan Review Please select this if you are submitting a plan for a NEW septic system or REPAIR of an existing system. Select "tank replacement only" if you are only replacing the tank. In addition, you will need to submit the Septic Permit to Construct (option will be Minor repair).	Select
Soil Testing Please select this if you need deep pit tests or a perc test. For additional information of soil testing, please visit the website at www.ehhd.org/soiltesting	Select

Click on the one for which you wish to apply. And follow the prompts and complete the requested information. Attach any documents requested. If you are unable to attach the documents you will need to mail or hand deliver them to the main office in Mansfield. After you review and submit your application, you will be prompted to pay.
