

Hartford HealthCare

COVID Vaccination & Booster Clinic

Tuesday, December 14, 2021

1:30pm-4:30pm

Ready for your Vaccine? Use the camera on your mobile phone to scan the QR code below. It will take you to our website.

United Services
1007 North Main St. Dayville

We will be offering Pfizer and Moderna first and second doses, as well as approved boosters.
For those receiving dose 1, we will work each patient to schedule them for their second dose.
For those receiving second doses/boosters, they will need to present their vaccination card with record of receiving previous doses, vaccine administration date, and lot number.
