Vaccination is the best protection against the COVID-19 virus, and that is why everyone 12 and older is strongly encouraged to receive this truly lifesaving vaccine.

A free vaccination clinic is coming to our community to make the COVID-19 vaccines more accessible to local residents, so be on the lookout for the eye-catching yellow DPH Vaccination Vans. Please bring a health insurance card and photo ID if you have them, but it is **not necessary** to have health insurance or ID to receive the vaccine. No one will be turned away for lack of insurance or ID.
