

## Eastern Highlands Health District

The Centers for Disease Control and Prevention (CDC) is closely monitoring an outbreak of respiratory illness caused by a novel (new) coronavirus first identified in Wuhan, Hubei Province, China. Chinese authorities identified the new coronavirus, which has resulted in more than a thousand confirmed cases in China, including cases outside Wuhan City. Additional cases have been identified in a growing number of other [international locations](#), including [the United States](#). There are ongoing investigations to learn more. Eastern Highlands Health District along with the CT Department of Public Health is monitoring the outbreak and the recommended response. For more information about this outbreak, visit the CDC website: [2019 Novel Coronavirus](#)
