EHHD Total	1,059	194	296	49	4	15
CT Totals	94,986	11,999	16,128	777*	437	4,771

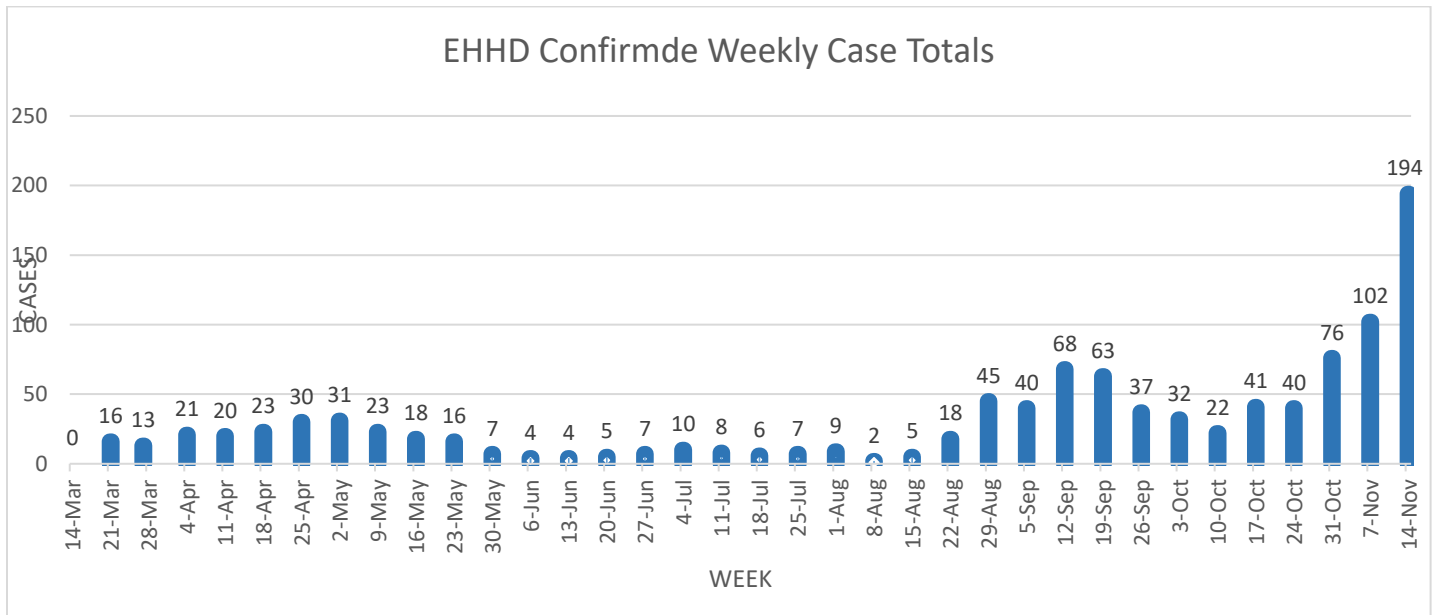

Data Source: CTEDSS and CT DPH; reporting period for two week town level case counts is 11/1/2020 through 11/14/2020

*This is the current (net) number of hospitalizations. It is not a cumulative count.

NOTE: All counts by town are cumulative and include confirmed cases and antigen-positive cases; also, counts can change from previous weeks due to the state reassigning a case to a different town once further information is gathered on the case, or delays in lab reporting.

Recent EHHD News:

- The health district has worked with schools on 12 case contact investigations in school settings in the past week.
- The health district arranged for weekly COVID testing at the Mansfield Middle School – Wednesdays, 3PM to 7PM at 205 Spring Hill Road, Mansfield CT 06268.
- The health district issued a cease and desist order closing the American Eagle Café in Willington due to violations of the Governors Executive Orders.
- ***The below bar chart indicates an acceleration in the rise of the case incident rate within the health district population. The health district urges everyone in the strongest terms to wear your mask, wash your hands, avoid gatherings of any size, and if you must engage in person to person encounters outside your family unit, be sure to stay at least 6’ apart.***

NOTE: Counts can change from week to week due to the state reassigning a case to a different town once further information is gathered on the case, or delays in lab reporting
