

# 2011 Winter Storm Alfred

## Eastern Highlands Health District

### Emergency Shelter & Warming Station Locations

For more information regarding specific town operations, click on the town name to go to the town website link, or visit the town's website directly.

**SHELTER** accommodations typically are for overnight stays, and would require that you bring your own bedding materials (sleeping bag, pillow, etc). **A REGIONAL overnight shelter has been established by the Red Cross at the Mansfield Community Center (10 South Eagleville Rd., Mansfield); arrive by 8:30pm to use this resource.**

**WARMING STATIONS** are open until evening hours to provide for warm shelter, charging of phones/laptops, and many provide toilet and drinking (potable) water opportunities.

**The listing below is to the best of our knowledge -**

**Please verify with towns individually prior to arriving for services.**

#### Andover

A potable (drinking) water refilling station is now located at the TOWN GARAGE. The town has discontinued all warming/power charging stations and the overnight shelter.

#### Ashford

The Senior Center has been opened for a warming/power charging station with water filling & MREs available at that location for residents. Residents should use the Mansfield Community Center for an overnight shelter if needed.

#### Bolton

Residents should use the overnight shelter & showers available at the RHAM school (85 Wall Street, Hebron). A warming/power charging station at the town hall from 7am to 7pm.

#### Chaplin

The Fire House (106 Phoenixville Rd) is open from 4pm – 8pm as a warming/power charging station with showers and water filling available.

#### Columbia

The Senior Center is open from 9am – 4pm as a warming/power charging station with meals and water available. Additionally, the Baptist Fellowship at 195 Rte 6 is open as a warming center from 5pm till 8pm. Residents should use the overnight shelter & showers available at the RHAM school (85 Wall Street, Hebron).

#### [Coventry](#)

Coventry has established a facility for showers at the High School 4pm – 8pm, and a warming/charging station at the Town Hall Conference Room B (use back door). A water station is at the town hall annex (side entrance), bring your own containers. Residents should use the Mansfield Community Center for an overnight shelter if needed.

#### [Mansfield](#)

The town has opened a 24-hour emergency shelter at the Mansfield Community Center. Arrive by 8:30pm to use this resource.

#### [Scotland](#)

The town has established a shelter for overnight stay (open 24 hours until power is returned) at the Community Hall (34 Brooks Road). Bottled water and MREs will be available 9 – 11 in the morning and 3 – 5 in the afternoon.

#### [Tolland](#)

The town has established a shelter for overnight stay on Monday at the Senior Center, and water filling stations at both the Fire Station on hwy 195 and at the Senior Center.

#### [Wilmington](#)

Hall School is serving as a shelter, details TBA
